

Exodia'19 NT-Mandi

Sent

12 Apr'19-14 Apr'19

The Exodia'19 fest was held in NT-Mandi from 12 April to 14 April 19. It was for the second time that our college dancing team-"Team Taal" with their dancing zeal participated in the magnificent event Synchronians ; freestyle dancing competition. We also participated in the solo dance event Groove Fanatics.

In the solo dance event, the 1st as well as 2nd position was grabbed by our college students Vikas Mev(ME-3rd Year) and Rohan Jaiprakash(IT-3rd Year) respectively. Vikas left the audience awestrucked with his mesmerising performance. His dance style was Lyrical. On the other hand Rohan gave a powerful performance with a huge impact, his dance style being Krumping.

In the group dance event, a total no. of 12 teams participated making it all together a neck to neck competition. Our College team-"Taal" presented an astonishing performance which combined Whacking, House, Freestyle, Bollywood, Punjabi and many more forms, thus, it was dynamic and emotional at the same time. A state of excitement was witnessed by the audience during our performance.

We gave our best performance and bagged 4th position in group dance. Many other teams had professional dancers and hired choreography thereby give them an advantage in that field.

We express our gratitude to our respected Director sir for allowing us to participate in such competitions.

We want to thank Prof.V.K.Parashar, our DSW Head for his constant motivation and support to participate in such competitions.

We are also looking forward to participate in more such competitions and bring laurel to the college.
