TARL REPORT

GENERO '16 (ABES' CULTURAL FEST)

The dance society of the college, Team TARL participated in the group dance competition organised under the event Genero '16 conducted by ABESec, Ghaziabad on 19th October, 2016.

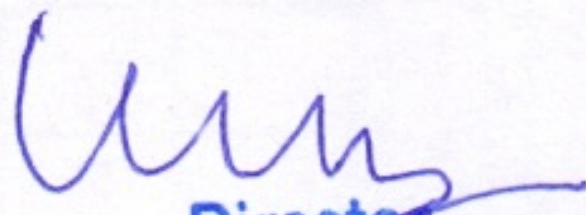

The event witnessed a massive participation of around 25-30 dance teams from different colleges among whom Team Taral was appreciated for the innovative elements, out of the box theme and the vibrance displayed in well synchronised dance performance by the team.

The experience and the applause by the judges of the event not only boosted the confidence of the team but also understood the finer ~~nuances~~ nuances of the performance better.
