SUMMARY

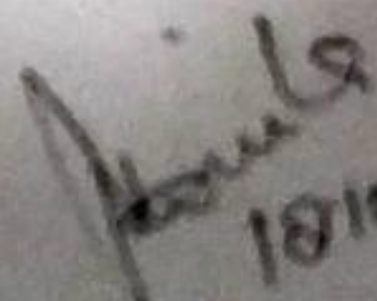

The cultural fest of NIT Kurukshetra , Confluence '19 was attended by 22 members of Verve Fashion Team , the fashion society of our college. We had participated in one of the events of the fest, "FASHP" which took place on the 12th of October. Participants were accommodated at the girls and boys hostel which were located in the campus itself. The event was very well co-ordinated and a green room was provided to all participants to prepare for the show. The organizers of the show were very welcoming. A huge crowd had gathered up. The audience was quite enthusiastic. The show was magnificent and received a huge applause. The judges praised the individual performances while handing over the prizes for walking with such elegance and confidence in spite of the overwhelming crowd. The overall experience of the show was amazing. With different teams like those from Chandigarh University, Pristine, Panache, Chitkara etc performing, Verve stood **FIRST** and was awarded a cash prize of Rs. 35000/- along with individual trophies for all members.
