Report of Team V-Verve securing first prize in the cultural fest of MNNIT, Allahabad.

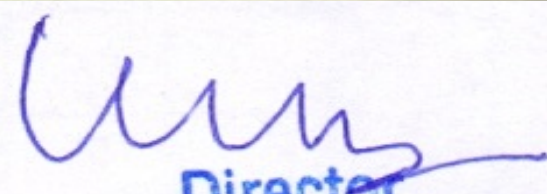

Team V-Verve had gone to put up a fashion show in the cultural fest of MNNIT, Allahabad. The show was a successful one & was appreciated by all.

19 teams from different colleges of the region had registered to compete in the event. Only 6 of the 19 teams qualified the elimination round to participate in the final round.

The final round was held on the 24<sup>th</sup> March. Our models embellished with gorgeous dresses & head props, which were prepared by our very hardworking designers, sizzled the ramp with confidence & glamour. We performed on the theme of 'Re-incarnation' and depicted social issues like Drug Abuse, LGBT and women-empowerment. Our theme was unique & thought-provoking. The show was a hit & was loved by the judges and the audience present.

The Judge, Mr. Suraj Chajjed, Mr India Finalists, 2015, was so impressed by our performance that he called us and congratulated us personally. He told us that he always gives negative marks but our show was so perfect that he couldn't deduct a single mark & rated us 20/20.

The entire team will be getting certificates for winning the first prize. We will also be getting a cash prize, the amount of which has not been confirmed to us by the hosting college. The co-ordinators of MNNIT told us that last time it was around ₹25,000 and this time also it will be somewhat the same.

Also stills from our show were featured in the next day's newspapers like 'Dainik Jagran' and 'Hindustan Times.'

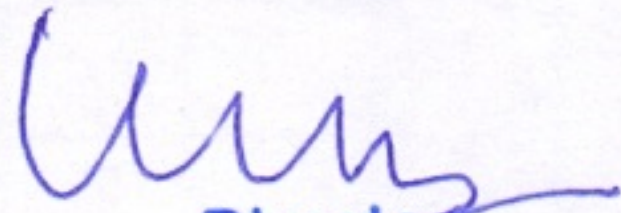

All in all, it was an amazing experience. The entire team got so much to learn and cherish. We are thankful to Director sir for allowing us to participate in the fest, we wouldn't have been able to bag the first prize without his support and motivation.

Thanking You.

Yours sincerely,  
Shubhi Kapoor  
(Head Co-ordinator).
