Gender Sensitization Plan

The college is committed to creating an inclusive campus environment where all individuals are respected and valued. Gender sensitization is a critical step in fostering equality, challenging stereotypes, and empowering all genders to achieve their full potential. This plan outlines targeted activities for the 2023-2024 session to promote awareness and inclusivity at AKGEC.

The gender sensitization plan at AKGEC aims to promote awareness about gender equality among students, faculty, and staff. It also aims to empower women through targeted skill-building and recognition programs and foster a respectful and inclusive culture within the campus.

Planned Activities for the session 2023-24 will be as follows:
